Father : Yusuke, have you decided which high school you want to go to? I think you should choose the school and tell us why.

Yusuke : I know. I'm thinking about Mountain High School, River High School and Star High School but still I can't choose one because each school has their own good points.

Mother : What kind of good points are you thinking about?

Yusuke : I want to join the basketball club or art club in high school because I have played basketball for three years and drawn pictures since I was 5 years old. I can't tell which club is better for me. If it's OK, I'll try both like Mr. Otani who is a very famous baseball player in the U.S.

Mother : I know you really like both of them.

Father : I understand your feelings. How about your studies? In my opinion, it is very important to study for your future. You want to be a doctor, don't you?

Yusuke : Yes. I really do. But club activities are valuable for me. I don't want to go to school only for studying. I just want to try both of them.

Mother : I see. If you try both of them, you need to control yourself. Especially, the time schedule. And if you have a good time schedule, you can study enough and enjoy club activities. I think the distance from our home to the school is important. If you go to a school close to home, it will be easier to control your time schedule.

Yusuke : That's true, It should be a closer one.

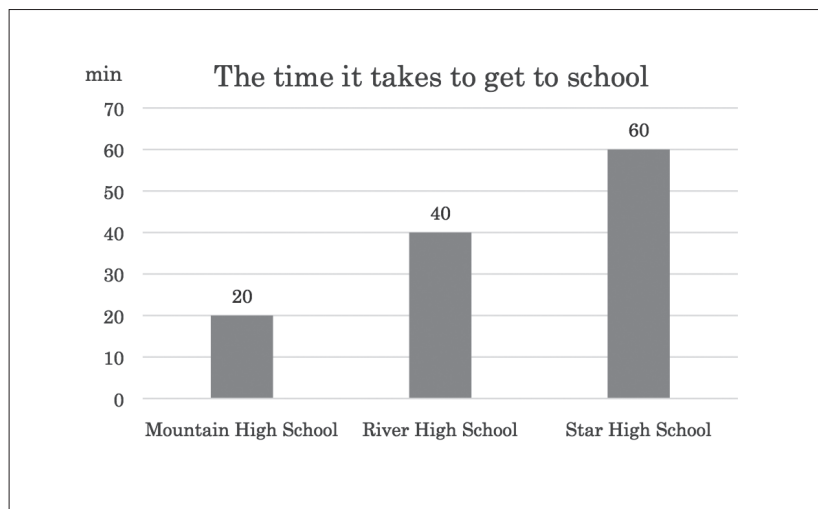

Father : All right. Now from this, I think you can choose the school you want to go to. Tell us which school it is.

Yusuke : Yes. I have just chosen this school.

Dear Saki,

Hello. Is everything alright? It has been three months since I visited Japan last.

I can still remember the summer days very clearly. It was such a wonderful time, wasn't it? It was so much fun going to the summer festival there. We ate a lot of foods such as candy apples, fried noodles, shaved ice, chocolate-covered bananas and so on. I can't remember the name of the food which is like cotton and tastes sweet. We can carry it with a stick. Please tell me the Japanese name of the food next time.

All of my family members want to meet you. They really want to say thank you because you were very kind to me when I was in Japan. If you have time during winter vacation, please let me know. Why don't you visit us?

I'm waiting for your email.

Yours,

Rose

Dear Rose,

Thank you for your email. Yes! I'm very happy that you liked the festival. The food you forgot the name of is "Wata-ame". It was made from rough sugar. It was an interesting food, wasn't it? I'm very glad that you invited me to your country. Are you sure? Can I go there? If I go there, I want to see kangaroos and koalas! And also I want to go swimming in the sea because it is summer there, isn't it?

I'll tell my parents about your invitation. I hope they let me go there this winter and I can meet you again.

I will write to you again soon.

Yours,

Saki
